

RMHA Team Size Policy

The purpose of the Team Size Policy is to accommodate all players who wish to play minor hockey, as well as to provide adequate playing time for all players. The RMHA board will determine the team sizes on a yearly basis, based on registrations. The RMHA board will determine the number of skaters and goalies that the Rep B Coaches are required to take.

It will be the goal for RMHA to have teams not carry more than 9 forwards, 6 defense, and 2 goalies for U11, U13, U15 and U18 levels, both competitive and house league. U9 Tier 3 and 4 teams will have a minimum of 9 players, and a maximum of 13 players.

Exceptions may be made at the discretion of the RMHA board.
